Our Reference No. 2500-2287.07

Gentlemen:

On February 11, 2005 our account was charged for a Supplemental Information Disclosure Statement for \$180, Fee Code 1806. This reference, GB 1059455, was submitted in response to the Examiner's handwritten remark on the initialed PTO 1449 that this particular reference was missing. This case is a continuation of 10/364,762 which was filed February 10, 2003 now abandoned. An Information Disclosure Statement was filed in the parent case and was initialed as having been received by the Patent Office, (copy enclosed). When a response was filed in the current case, the Supplemental Information Disclosure Statement was filed at the same time to enclose a copy for the Examiner, (copy enclosed). Under the circumstances we believe that the fee charged to our Deposit Account was in error. We would appreciate your reviewing this charge and crediting our account for the \$180.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Marilyn B. McKenna
Senior Patent Administrator
